

REC'D FEB 08

**THE CROWNED RIDGE WIND  
PROJECTS ARE GOOD FOR OUR  
COMMUNITY.**

*Wind energy is good for Codrington  
Co. most schools could use the extra  
tax money created. Wind towers would  
be an ideal fit to generate addition  
tax money for the pasture and less  
productive hilly farm land in the  
South Shore area.*

Sincerely,

*Jim Berkow - Germantown Township*
