**THE CROWNED RIDGE WIND
PROJECTS ARE GOOD FOR OUR
COMMUNITY.**

02.8

As one of the people in
the area under consideration
for the wind farm, I don't know
whether I will get any tower or
other monetary benefit but
would not want others I know
to be unable to benefit.

It's our land, we should have
the right to say yes or no.

Sincerely,

5720133048
