

SIOUX

10 FE

**THE CROWNED RIDGE WIND  
PROJECTS ARE GOOD FOR OUR  
COMMUNITY.**

It will create jobs and  
increase the property tax  
base. It will also provide  
another source of income to  
the Indians and when  
their income increases,  
they spend it in our communities,  
which will increase sales tax  
revenue

Sincerely,

Rose Green

(I was out of state all yesterday)
