

Gabel motioned to publish notice of below amendment to the current draft of Ordinance #68, and to postpone action to adopt Ordinance #68 until after the public hearing on said amendment (to be scheduled for June 7th, 2018):

Amend Paragraph 2.i. Table 5.22.03.2

From this:

		Setback Distance*	
		Vertical Height of Tower 75' to 500'	Vertical Height of Tower Over 500'
Participating occupied residence, business, church, or school		550'	550' plus 2.5' feet for each additional vertical foot more than 500' in height
Municipal Boundaries at the time of Conditional Use Permit Application		5,280'	5,280'
Non-Participating occupied residence, business, church, or school	Town District	5,280'	5,280'
	All other Districts	1,500'	1,500' plus 2.5' feet for each additional vertical foot more than 500' in height
Distance from the Right-of-Way of Public Road		110% of the height of the wind turbine**	
Distance from Property Line		110% of the height of the wind turbine***	

To this:

	Setback Distance if vertical height of tower is over 75'
Participating occupied residence, business, church, or school	The greater of the manufacturer's recommended safe distance or 550' plus 2.5 for each additional vertical foot more than 500' in height.
Non-Participating occupied residence, business, church, or school in all Districts except Town Districts.	The greater of the manufacturer's recommended safe distance or 4 times the height of the tower
Non-Participating occupied residence, business, church, or school in Town District(s)	5280'
Municipal Boundaries at the time of Conditional Use Permit Application	5280'
Distance from Right of Way line of Public Road	110% of the height of the tower**
Distance from Property Line	110% times the height of the tower***
