

COUNTY COMMISSIONERS Codington County

14 1st Ave. SE • Watertown, SD 57201-3611 (605) 882-6288 Fax (605) 882-6288

Tuesday, December 18, 2018

Fire Marshal
Watertown Fire Department
Watertown, SD 57201

Dear Mr. Premus,

This is to inform you of the intent to the Board of Codington County Commissioners to install fire suppression sprinklers throughout the historic county courthouse.

As you are aware, the county is currently installing sprinklers in the basement and ground floor of the courthouse. This portion of the project is expected to be complete at about the end of 2018. The county has budgeted funds to install sprinklers on the remaining floors of the courthouse for calendar year 2019.

We request that you use this information in assisting potential contractors to plan/propose an appropriate fire alarm system in the courthouse. Installation of an alarm system may take place in 2019.

Respectfully,

Myron Johnson, Chairman
Codington County Commission
