CLVERBUDS

The Codington County 4-H Cloverbud program introduces Kindergarten through Second Grade children, ages 5 to 7, to the traditional 4-H program.

It also teaches teamwork, leadership, and cooperative learning in a fun and friendly atmosphere.

Cloverbuds will meet once a month after school for one hour at Henry School, Florence School, Waverly School, or the Codington County Extension Office.

The cost is only \$12.00 to cover 4-H insurance, snacks and materials.
