

CODINGTON COUNTY

PERMIT TO CONSTRUCT ACCESS APPROACH

DESCRIPTION---SECTION _____ TOWNSHIP _____
RANGE _____ DISTANCE FROM NEAREST SECTION LINE _____

I, the undersigned, request permission to construct an access approach on the public right-of-way at the above location. In consideration for this permission, I agree to abide by all conditions as herein stated.

1. To build the approach to the following conditions, minimum 20' top width, with 3 to 1 inslopes, and install adequate culvert if required.
2. Codington county will do a site survey to determine the exact location, and if a pipe is required, and at what elevation to install said pipe.
3. To furnish all materials, labor, incidentals, and pay all costs associated with the construction of the approach including restoration of any damaged portions of the roadway and right-of-way to equal or better conditions than existed prior to beginning work covered by this permit.

Pipe required Yes _____ No _____ Size _____ Length _____
Special conditions _____

4. All work authorized by this permit shall be completed within _____ days after approval. Failure to complete work within the time specified, or to construct the approach in accordance with the provisions of this permit shall render this permit null and void and constitute grounds for it's removal at the applicant's expense.

Signature _____ date _____
Address _____
_____ phone _____

This permit to construct access approach is granted to all conditions as herein stated on this _____ day of _____ 202 ____.
