October 22, 2024

The Codington County Commissioners met in regular session at 9:00 a.m., Tuesday, October 22, 2024, at the Codington County Court House. Commission members present were: Lee Gabel, Charlie Waterman, Myron Johnson, Troy VanDusen, and Randall Schweer; Chair Schweer, presiding. The pledge of allegiance was led by Commissioner Johnson.

CALLS FOR PUBLIC COMMENT AND CONFLICT OF INTEREST ITEMS

Chair Schweer called for public comments to be taken up during the open portion of the meeting; none were offered. There were no conflict-of-interest items to note.

AGENDA APPROVED

Motion by VanDusen, second by Gabel, to approve the agenda for October 22, 2024, as posted; all voted aye; motion carried.

MINUTES APPROVED

Motion by Gabel, second by Johnson, to approve the minutes of October 15, 2024; all voted aye; motion carried.

JUVENILE DIVERSION ALTERNATIVE INITIATIVE UPDATE

Louis Canfield, Director of Youth Diversion, Watertown Boys and Girls Club, updated the Board regarding the JDAI program. Mr. Canfield provided the Board with information including, average daily population, average length of stay, juvenile diversion growth, top juvenile diversion referrals, simple assault being the top referral listed, looking at sending these youth to the MRT program (Moral Recognition Training); have hired a Youth Diversion Coordinator, Miranda Wright, has been with the program for approx. 30 days and will be taking some of these cases soon.

MONTHLY REPORTS

Emergency Management Director, Andrew Delgado, updated the Board: had a couple big deadlines for the LEMPG this month, including a table top exercise, which led to some solid discussions, and a way forward with putting together our plan, 16 people attended, and submission of our annual report to South Dakota Office of Emergency Management; Cheri was called out twice with the Search and Rescue team to locate missing juveniles, both of them were located; one of the LARK members reached out about testing a mobile repeater site, which would be tested by doing a test page for South Shore Fire, Greg Wall was on board, but at the meeting, it was ultimately decided to wait until sometime next year; the heaters at the Search and Rescue building were serviced, one of them had a bad heat exchanger, which deadlines that heater, requested quotes on replacement of that unit which is an item on the agenda; Cheri and I attended the ALICE training put on by the Sheriff's Office, a great course and hope they continue to provide this training; the Sheriff's Office and Emergency Management Office attended a SD 511 presentation which would give authorized personnel the ability to indicate winter road closures for county highways, which will hopefully decrease the number of motorists that get stranded in winter storms by taking alternate routes during interstate closures, because that is what feeds navigation apps; assisted in getting Red Cross assistance for a displaced family; a local business is getting ready to conduct an exercise internally to their organization, attended meetings with them with good discussion, initially they were surprised at the number of things that go into evacuating people or if they were going to move them off-site, having these discussions with them as to how they will prepare to respond if an incident occurs; Cheri has been assisting with early voting, as

needed; there hasn't been much meaningful precipitation, with the growing season over, don't see things changing much and would lean to no change on the burn ban until the harvest season is closer to being completed.

HEATER AT SEARCH AND RESCUE BUILDING

Motion by Gabel, second by Waterman, to accept a quote, in the amount of \$2,867.48, from Joe's Heating & Cooling LLC, for equipment and labor to replace heater at the Search and Rescue Building; all voted aye; motion carried.

LIGHTING PROJECT AT HIGHWAY DEPARTMENT

Motion by VanDusen, second by Johnson, to approve a quote, in the amount of \$14,600.00, from Schneider Electric, for all material and labor to complete the lighting project at the Highway Department, this is a budgeted item; all voted aye; motion carried.

Dear Ms. Brugman:

Thank you for allowing Reliance Matrix the opportunity to provide employee benefits to Codington County. We value the relationship and are excited to be part of your employees' benefits solutions.

As part of our commitment to superior service delivery, we continually review our customers' plan design in order to determine appropriate performance and pricing. Contributing pricing factors may include your claims experience, the nature of your business, geographic location(s), and employer contribution level(s), among other factors. In addition to the aforementioned contributing pricing factors, please note that we reserve the right to adjust the premium rate at any time if there is a change in federal or state laws, insurance programs or retirement benefits that would impact our liability. If such adjustments are required, notice will be sent at that time under separate cover.

In this regard, we have calculated the renewal rates for your in-force program with us. Below are your renewal rates and fees, effective January 1, 2025, through January 1, 2026. The pricing contained within this renewal is determined holistically and predicated on all lines and services remaining inforce upon accepting the renewal. Reliance Matrix reserves the right to revise the rates if client discontinues any products or services, in whole or in part. **NOTE:** Any lines not mentioned below will renew at the existing rates. If Codington County also has a Dental or Vision policy with us, the renewal notification will be sent under separate cover.

Please review the information and feel free to contact your local Sales Representative if you have any questions.
